

PINEY Z LAWN MAINTENANCE SCHEDULE

Mowing:

Once per month: Nov., Dec., Jan., Feb., Mar. --- 5 service visits

Two visits per month: Apr., May., Oct.--- 6 service visits

Three visits per month: June --- 3 service visits

Weekly: July, Aug., Sept. --- 13 service visits

TOTAL SERVICE VISITS: 27

Fertilize:

Fertilize southside of Heritage Park Boulevard, two roundabouts, and three entrance beds semi-annually, with slow-release fertilizer.

Pine Straw:

Pine straw will be installed in all existing beds, as well as down the tree line on both sides of Heritage Park Boulevard. All landscaped areas and abutting hardscaped areas, should be edged to maintain a manicured appearance. All areas listed below will receive two applications of pine straw – once in the Spring and the other in the Fall.

Roundabouts:

Two applications @ 45 bales each (90 bales)

Eagleview Entrance:

Two applications @ 20 bales each side (80 bales)

Heritage Park Entrance:

Two applications @ 20 bales each side (80 bales)

Heritage Park Boulevard will have 200 bales installed on each side twice a year (800 bales)

The Garden Entrance:

Two applications @ 5 bales each side (20 bales)
