Telephone #: 386.299.8535
Email Address: edebardeleben@gmail.com

Edwin (Ed) DeBardeleben has lived in the Field Crest neighborhood of the Piney Z community since 2012. A native of Auburn, Alabama, as well as a graduate from Auburn University, Ed resided within an HOA in Ormond Beach, Florida, for over 22 years before moving to Tallahassee. Ed recently retired from the State of Florida as a Bureau Chief of Quality Management for the Agency for Persons with Disabilities. Ed has served on numerous advisory boards related to housing, transportation, school transition, case management, healthcare services, etc.

Ed and his dog Woody are avid walkers throughout the Piney Z community and nearby parks. Like many of the residents of Piney Z, he appreciates the natural beauty of the community as well as the amenities it offers. Ed believes it is important that we, the residents of Piney Z, work actively together to promote the quality of life we enjoy whether it be through social events, architectural compliance, landscaping, and pedestrian safety. If elected, Ed will be honored to serve the residents of Piney Z through its homeowners' association.

Bill (William) PFOST

PZ HOA Treasurer

For most of us, our homes and neighborhoods are our most expensive assets and require careful and diligent stewardship. I have spent most of my life serving others. I have skills to offer for the benefit of our Piney Z neighborhood.

For decades, I held positions of trust in government. I am objective, fair-minded, and evidence-based in decision-making. I listen carefully to input and solicit advice when appropriate. I am also tenacious and independent when the need arises. I check the underlying facts and make decisions after evaluating the available facts.

I am a retired Special Agent with 29 years of service in the United States Treasury, Miami Field Office. After government service, my wife (Bonnie) of 44-plus years and I lived in Saudi Arabia, where I worked for Saudi Aramco for six years, retiring as an internal auditor/investigator.

I have a BS in Criminology from Florida State University and double majored in accounting. I presently serve as the Piney-Z HOA Treasurer.

Upon retiring from Aramco, we returned to Florida, where we now travel and visit with our two grown daughters, their husbands, and ten grandchildren. I enjoy family, travel, college sports, yard work, and other hobbies.

Eric Pratt

Tallahassee, FL 32311

June 2024

Hello,

I'm Eric Pratt, currently serving as Committee Liaison for Piney-Z and am running for another term.

I'm a retired sales manager and business owner from Tampa and a past citrus owner and operator. My wife of 40 years and I moved to Tallahassee from Tampa eight years ago to be close to our four children and grandchildren. We love it here. Piney-Z is a special place with tons of wonderful people. I serve because I want to give back for my many blessings and help Piney-Z be the best it can be.

I take the commandment of loving your neighbor as yourself seriously and try to be that person on the Board.

I humbly ask for your support.

Eric Pratt
